

22 February 2023

Scholarships offered by The Cyprus Institute of Neurology and Genetics for the Academic Year 2023-2024

We are pleased to announce that the Cyprus Ministry of Foreign Affairs and the Cyprus Institute of Neurology and Genetics (CING), provide **up to three (3) postgraduate (MSc) scholarship (depending on availability) to Greek nationals**, for the academic year 2023 – 2024.

This scholarship covers:

- full tuition fees (€8,000) for citizens who will apply and be accepted to the Cyprus Institute of Neurology and Genetics based on academic criteria. The candidates will be evaluated on their academic qualifications, provided they fulfil the School's entry requirements.

CING applies international standards of excellence in its curriculum. It serves as a Centre of Excellence and a Referral Centre in basic and applied research in biomedical and clinical sciences. Our dynamic range of programmes includes the innovative disciplines of Neuroscience, Molecular Medicine, Medical Genetics, Biomedical Research and Biotechnology, disciplines sought after and very popular for students in Biomedicine. Students enrolled at CING benefit from the dynamic setting and have a unique opportunity to be trained in a real working environment and be mentored by leading scientists in the CING's fields of expertise.

Available MSc Programmes funded by this Scholarship Scheme:

1. MSc in Molecular Medicine
2. MSc in Medical Genetics
3. MSc in Neuroscience
4. MSc in Biotechnology

All programmes are taught in English and are accredited by both the Republic of Cyprus, the European Union countries and from the relevant International Authorities. The Cyprus Institute of Neurology and Genetics is included in the National Registry of Foreign Recognized Higher Education Institutes of the Hellenic Republic.

For more information about the Admission Requirements, description of Programmes and other services can be found in the CING Prospectus 2023-2024: <https://www.cing.ac.cy/education>

The Application Period started mid-January 2023 and the deadline for EU Applicants is the 31st of June 2023. Interested students can submit their applications online in the following link:
