

[BYRON ASIMAKOPOULOS

Biologist, PhD

Professor of Physiology, Director of

- **Laboratory of Physiology,**
- **Laboratory of Reproductive Physiology-IVF,**
- **Laboratory of Neurophysiology**

Business address: Lab. of Physiology, Faculty of Medicine, Democritus University of Thrace, Dragana, 681 00 Alexandroupolis, Greece.

Tel.: +30 25510 30538, 30513

Fax: +30 25510 30513

e-mail: basima@med.duth.gr

Marital status: Married; two children

EDUCATION

1992	PHD	Aristoteleion University of Thessaloniki, Thessaloniki, Greece, Department of Biology
1985	BSc	Aristoteleion University of Thessaloniki, Thessaloniki, Greece, Department of Biology

FURTHER TRAINING

01-30/12/2019: Simulation Medical Training Center, Medical University of Plovdiv: acquaintance with scientific equipment of the Simulation Center and attendance of training sessions for students.

07-17/03/2016: Justus-Liebig University Giessen, Clinic for Obstetrics, Gynecology and Andrology of Large and Small Animals, Giessen, Germany: oocyte retrieval from cow ovaries, in-vitro maturation of cumulus-oocyte complexes, piezo-ICSI.

01/10/2013-06/01/2014: Department of Biology, Aristoteleian University of Thessaloniki: techniques of Molecular Biology and Bioinformatics.

20/6-01/07/2012: Scientific visit in Klinikum Kempten, Akademisches Lehrkrankenhaus der Universität Ulm, within the framework of the Greece – Germany Transnational Exchanges Program: assisted reproduction techniques, mostly methods of slow freezing.

2002-2009: Consecutive visits in the Medical University of Lübeck (319 days in total): namely, in the Laboratory of Experimental Endocrinology and the Assisted Reproduction Unit, Klinik für Frauenheilkunde und Geburtshilfe, Universitätsklinikum Schleswig-Holstein, Campus Lübeck (Director: Prof. Dr. K. Diedrich) as well as in the Institute of Physiology (Director: Prof. Dr. med. W. Jelkmann). Trained in cell cultures, Tunnel & Comet assays, RNA and DNA isolation, reverse transcription, PCR and real-time PCR, assisted reproduction techniques, cryopreservation of embryos and sperm, basic semen analysis, culture of human embryos.

1-3/10/2009: ESHRE Campus: “Reproductive andrology: linking laboratory to clinical practice”, Thessaloniki, Greece.

25-26/9/2009: ESHRE Campus: “Cryobiology and cryopreservation of human gametes and embryos”, Athens, Greece.

28/06-01/07/2009: ESHRE course “Embryology/Early pregnancy”, Amsterdam, Netherlands.

21-22/05/2009: ESHRE Campus: Sperm DNA: Organization, protection and vulnerability from basic science to clinical application, Karolinska Institute, Stockholm, Sweden.

16-18/06/2008: ESHRE– Andrology Special Interest Group: Advanced Andrology Laboratory Course on Human Sperm Morphology Assessment, Karolinska University Hospital, Stockholm, Sweden.

1-2/06/2007: Boehringer Ingelheim Hellas & Hygiene Laboratory, Democritus University of Thrace, Alexandroupolis, Greece: Seminar in Biostatistics and Epidemiology.

02-06/07/2004: ESHRE – Andrology Special Interest Group: Basic Semen Analysis Course. Thessaloniki, Greece

18-20/1/2002: ESHRE Campus Workshop “GnRH-antagonists: from basic science to clinical application”, Lübeck, Germany.

23-24/3/2001: “Basic knowledge on the metabolic bone diseases” (duration: 30 hours), Hellenic Institute of Osteoporosis, Thessaloniki, Greece.

1-3/2/2001: “Hyperlipidemias & Atherosclerosis in the 21st century”, training seminar, 1st Clinic of Internal Medicine, Aristoteleian University of Thessaloniki, Thessaloniki, Greece.

ACADEMIC EXPERIENCE

- | | |
|-------------------|--|
| 2018 – to present | Democritus University of Thrace , School of Medicine;
Professor of Physiology. |
| 2013 – 2018 | Democritus University of Thrace , School of Medicine;
Associate Professor of Physiology |
| 2006 – 2013 | Democritus University of Thrace , School of Medicine;
Assistant Professor of Physiology |
| 2001 – 2006 | Democritus University of Thrace , School of Medicine;
Lecturer of Physiology |
| 1995 – 2001 | Democritus University of Thrace , School of Medicine;
Fellow–researcher in the Lab. of Physiology. |

RESEARCH

1985 – 1995

Biology of Reproduction and Biology of Development of amphibian species. Part of the relevant research was carried out at the Institute of Zoology, University of Bonn, in collaboration with its Director Prof. Dr. Hans Schneider.

1995 - 2000

- Regenerative mechanisms in rabbit sciatic nerve.
- Effects of muscle relaxants on from gastrocnemius
- Effects of growth factors on skeletal muscles and cardiac muscle of rats

2000-2019

- The expression and function of GnRH system in peripheral tissues.

- The effects of adipokines on female reproductive functions.
- The role of cytokines in follicular development and implantation.
- The condensation of nuclear sperm chromatin.

At present

- The investigation of sperm parameters in relation to sperm fertilization capacity, emphasizing on sperm nuclear DNA fragmentation, in an attempt to determine physiological values.
- The investigation of free nucleic acids in embryo culture media in relation to embryo quality and implantation potential.
- The effects of growth factors on in-vitro motility and vitality of human spermatozoa

Collaborations with several Clinics in the University Hospital of Alexandroupolis and a long collaboration with the Nephrology Unit of Hospital of Xanthi, involved in measurements of cytokines, hormones and adhesion molecules in samples of various biological fluids.

TEACHING ACTIVITIES

- | | |
|-------------------|--|
| 2020 – to present | Lectures in Master Degree Program “Human Reproduction”, School of Medicine, Aristoteleion University of Thessaloniki. |
| 2019 – to present | Lectures in Master Degree Program “Biology of Reproduction”, Faculty of Medicine, University of Thessaly. |
| 2001 – to present | “Physiology I”, “Physiology II”, “Physiology III” (lectures and practical sessions), Faculty of Medicine, Democritus University of Thrace. |
| 2-6/11/2015 | Physiology of Endocrine system (lectures), Medical University of Plovdiv, in the framework of ERASMUS+. |
| 2014- to present | Lectures and practical sessions on various topics related to the Physiology of Reproductive system and Embryology, Master Degree Program “Human Reproduction”, Faculty of Medicine, Democritus University of Thrace. |

- 2014 – to present Lecture and practical session “Laboratory techniques of Assisted Reproduction”, Master Degree Program “Biomedical and Molecular Sciences”, Faculty of Medicine, Democritus University of Thrace & Department of Medical Laboratories Technicians, Alexandrian Technological Institute of Thessaloniki.
- 2009 – to present Lecture “Hypothalamus – Pituitary – Gonadal Axis”, Master Degree Program “Molecular and Applied Physiology”, Medical School, National and Kapodestrian University of Athens.
- 2017 – to present “Exercise Physiology”, Faculty of Medicine, Democritus University of Thrace.
- 2004 – 2009 Trainer in Basic Semen Analysis Seminars organized by the European Society of Human Reproduction and Embryology.
- 2001-2005 “Physiology I” and “Physiology II” (lectures and practical sessions), Department of Molecular Biology & Genetics, Democritus University of Thrace.
- 2005 Lecture “The use of ELISA”, Master Degree Program “Liver – Bile Ducts – Pancreas Surgery”, Faculty of Medicine, Democritus University of Thrace.
- 2001 – 2003 “Neurophysiology” (lectures), Pedagogic Academy, Democritus University of Thrace.
- 1995 – 2001 Lectures and practical sessions on “Physiology I” and “Physiology II”, Faculty of Medicine, Democritus University of Thrace.
- 1985 – 1989 Participation on the practical sessions of “Systematic Zoology”, Department of Biology, Aristoteleian University of Thessaloniki.
- 1987 – 1989 Teacher in the 1st and 2nd Technical Lyceum of Katerini, Greece, where I taught “Immunology”, “Biochemistry”, “Microbiology”, “Parasitology”, “Practical Sessions on Microbiology”, “Practical Sessions on Hematology” etc.

SCHOLARSHIPS

- | | |
|-----------|---|
| 2004 | Award (A/04/33529) from the Deutscher Akademischer Austausch Dienst for the research project “Effect of the gonadotropin-releasing hormone antagonists ganirelix and cetrorelix on the production of epidermal growth factor and insulin like growth factor-I from human granulosa cells” |
| 1986-1989 | Scholarship from “M.Moutsopoulos” legacy. |
| 1981-1982 | Scholarship from the State Foundation for my performance during the first year of studies in the Dept. of Biology, Aristoteleion Univ. of Thessaloniki. |

PARTICIPATION IN RESEARCH PROJECTS

- “Study of the effects of growth factors on the motility and vitality of human spermatozoa” (MIS 5049528). Research project financed by the Partnership Agreement for the Development Framework 2014-2020.

- “Investigation on the use of free nucleonic acids in culture media of human embryos as a non-invasive predictive tool for preimplantation diagnosis”. Research project financed by the Partnership Agreement for the Development Framework 2014-2020.
- «A Multicenter, Multiple-dose, Two-arm, Active-controlled, Double-blind, Double-dummy Study to Compare the Therapeutic Efficacy and Safety of Oral Doses of Cinacalset HCL With Intravenous Doses of AMG 416 in Hemodialysis Subjects With Secondary Hyperparathyroidism». Clinical trial; University Nephrological Clinic, University Hospital of Alexandroupolis & AMGEN Hellas (2014-2016).
- “EFFECTS OF GnRH ANALOGS ON THE FUNCTIONS OF NATIVE GRANULOSA LUTEAL CELLS”. Research project financed by the Greek Ministry of Health (2009-2010).
- IKYDA 2005 (PROGRAMME FOR THE PROMOTION OF THE EXCHANGE AND SCIENTIFIC COOPERATION BETWEEN GREECE AND GERMANY). “INVESTIGATION OF THE EFFECTS OF GnRH ANALOGUES ON THE FUNCTION OF HUMAN GRANULOSA LUTEIN CELLS”: common research project between the Laboratory of Physiology, School of Medicine, Democritus Univ. of Thrace and the Department of Obstetrics/Gynecology, University of Schleswig-Holstein, Campus Lübeck. Duration: 2006-2008. Position: head of the Greek team.
- IKYDA 2002 (PROGRAMME FOR THE PROMOTION OF THE EXCHANGE AND SCIENTIFIC COOPERATION BETWEEN GREECE AND GERMANY). “INVESTIGATION OF HORMONES AND CYTOKINES LEVELS IN SERUM AND FOLLICULAR FLUIDS OF WOMEN UNDERGOING CONTROLLED OVARIAN STIMULATION FOR IVF/ICSI UNDER DIFFERENT STIMULATION PROTOCOLS” : common research project between the Laboratory of Physiology, School of Medicine, Democritus Univ. of Thrace and the Department of Obstetrics/Gynecology, University of Schleswig-Holstein, Campus Lübeck.

Duration: 2003-2005; finished successfully. Position: member of the Greek team.

- Research project financed by the Research Committee of Democritus Univ. of Thrace “Induction of angiogenesis in muscles and myocardium of rat”. Duration: 2001-2003; finished successfully. Position: member of the research team.

SCIENTIFIC AWARDS

- 16th Medical Congress of North Greece, 26-28/10/2001, Thessaloniki. 1st Award on the field of experimental studies for the presentation: “Study on the effects of thiocolchicoside, orphenadrine and phenyramidol in isolated frog gastrocnemius muscle”.
- 23rd Panhellenic Congress of Surgery – International Surgical Forum, 9-12/11/2002, Athens. Award for the presentation: “Leptin serum levels in patients with pancreatic cancer: association with nutrition factors”.
- 29th Panhellenic Medical Congress, 20-24/5/2003, Athens. Award for the best presentation on the field of basic research: “Study of the effects of the angiogenic factor b-FGF and exercise on rat cardiac and skeletal muscle”.
- 4th Congress of the Medical Society of Kavala, 2008. First award for the presentation: “Effects of GnRH-analogs on the viability of human luteal granulosa cells”.
- Master Degree Program “Molecular & Applied Physiology”, School of Medicine, National & Kapodestrian University of Athens, 2016: “Excellence in teaching”.

EXPERIENCE ON CLINICAL EMBRYOLOGY

2020- today	IVF Unit of the General University Hospital of Alexandroupolis, Greece
2014 - 2020	Freelancer Embryologist
2014	Kinderwunschzentrum, Klinikum-Kempton, Akademisches Lehrkrankenhaus der Universität Ulm, Germany

- 2013 Head of the laboratory of Embryoclinic IVF center, Thessaloniki, Greece
- 08/2011 – 2013 Freelancer Embryologist
- 04/2008 – 08/2011 Head of the laboratory of the IVF Unit of the General University Hospital of Alexandroupolis, Greece
- 2003 – 2011 Private IVF center “Embryokosmogogenesis”, Alexandroupolis, Greece

LECTURES – PARTICIPATION IN COMMITTEES OF SCIENTIFIC CONGRESSES

- 2019 “International Conference in Infertility, Clinical Embryology and Endoscopy (ICE 2019)”, Chennai – India, 02-04/08/2019. Member of the Faculty. Lectures: “Pharmacogenomics in IVF”, “Leptin in Human Reproduction”.
- 2019 “2nd Hands-On Workshop on PGD, Embryo Biopsy and Vitrification” , 29-30/03/2019, Thessaloniki. Lecture: “Cryopreservation of 2PN Zygotes: Slow freezing or Vitrification?”.
- 2018 2nd Congress “Bonding Embryologists to Fertility Specialists; to Assist Nature in Overcoming Infertility, 31/08-02/09/2018, Thessaloniki. Lecture: “Vitrification of Zygotes. A Lab Perspective”. Instructor in a Hands-On Workshop “Oocytes Handling”
- 2017 25th International Congress of Physical Education & Sports Science, 19-21/05/2017, Komotini: Chairman in the Seminar “Obesity & Metabolic Diseases: the role of exercise”.
- 2017 4th Congress on Education and Research, Faculty of Medicine, Democritus University of Thrace, 5-7/5/2017, Alexandroupolis: member of the Scientific Committee.
- 2017 10th Panhellenic Congress of Andrology, 17-18/3/2017, Athens. Lecture: “Genetics and Epigenetics of Spermatogenesis”.

- 2016 5th Panhellenic Congress of Fertility & Sterility, 9-11/12/2016, Thessaloniki: Chairman in the Round Table “Cryopreservation of Embryos & Oocytes”.
- 2016 3rd Congress on Education and Research, Faculty of Medicine, Democritus University of Thrace, 8-10/3/2016, Alexandroupolis: member of the Scientific Committee
- 2015 2nd Congress on Education and Research, Faculty of Medicine, Democritus University of Thrace, 8-10/5/2015, Alexandroupolis: member of the Scientific Committee.
- 2014 Scientific Meeting “Prospects of improvement in the Embryology Lab”, Origio & SAGE, 16/05/2014, Athens. Lecture: “In vitro-maturation – focusing on the methodology”.
- 2014 1st Congress on Education and Research, Faculty of Medicine, Democritus University of Thrace, 28-30/3/2014, Alexandroupolis: member of the Organizing Committee
- 2014 “Days of Physiology in Mani”, MD Program “Molecular & Applied Physiology”, School of Medicine, National & Kapodestrian University of Athens, 03-05/10/2014, Vathi, Mani. Lecture: “The Hypothalamus – Pituitary – Gonadal Axis has changed: RFamides”.
- 2013 1st Congress of Hellenic Society of Assisted Reproduction Medical Doctors, 22-24/11/2013, Athens. Lecture: “RFamides: integral parts of the Hypothalamus – Pituitary – Gonadal Axis, having a key regulatory role”
- 2013 Organization of Seminar “Introduction on the Physiology of Semen and Basic Semen Analysis”, Laboratory of Physiology, Faculty of Medicine, Democritus University of Thrace, July 2013, Alexandroupolis.
- 2011 26th Medical Congress of North Greece, 31/3-2/4/2011, Thessaloniki. Lecture: “Molecular mechanisms of cadherins’ function”.
- 2011 Organization of Seminar “Introduction on the Physiology of Semen and Basic Semen Analysis”, Laboratory of Physiology, Faculty of Medicine, Democritus University of Thrace, November 2011, Alexandroupolis

- 2009 European Society of Human Reproduction & Embryology Campus “Reproductive andrology: linking laboratory to clinical practice”, 01-03/10/2009, Thessaloniki. Chairman in Round Table.
- 2009 “Scientific Meeting on Physiology”, Laboratory of Physiology, Faculty of Medicine, Democritus University of Thrace, under the auspices of the Hellenic Society of Physiology, 09/12/2009, Alexandroupolis: member of the Organizing Committee.
- 2009 15th Scientific Congress of Greek Medical Students, 8-10/10/2009, Thessaloniki: Lecture “Integrins”.
- 2005 11th Scientific Congress of Greek Medical Students, 13-15/05/2005, Alexandroupolis: Chairman of the session for presentations of Physiology.
- 2004 2nd International Congress “Highlights in Assisted Reproduction”, 4-6/6/2004, Alexandroupolis. Secretary of the Organizing committee. Lecture: “The role of leptin in ovarian functions”.
- 2004 Institute of Physiology, Medical University of Lübeck (1/10/2004): Lecture on the physiology of ovarian granulosa cells and the expression of growth factors from granulosa cell cultures.
- 2004 Department of Obstetrics/Gynecology, University of Schleswig-Holstein, Campus Lübeck. Lecture: “Hormones and cytokine levels in serum and follicular fluids of women undergoing controlled ovarian stimulation for ICSI/IVF under different stimulation protocols”
- 2002 1st International Congress “Highlights in Assisted Reproduction”, 14-15/9/2002, Alexandroupolis. Secretary of the Organizing committee. Lecture: “Women with one ovary in in-vitro fertilization”.

CONTRIBUTION TO THE DISSERTATION OF PHD THESES

- Dimitrios Agkas (Supervisor)
- George Mpinas (Supervisor)
- Konstantinos Nikolettos (Supervisor)
- Evangellos Maziotis (Supervisor)
- Afroditi Sialakouma (Supervisor).

- Chryssa Metallinou (Supervisor).
- George Giannislis (Supervisor).
- Evaggelini Evgeni (Supervisor).
- Aikaterini Stamou (Member of the Advisory Committee).
- Konstantina Kosmidou (Member of the Examination Committee) (Faculty of Physical Education & Sport Science, Komotini).
- Helen Koutroumanidou (Member of the Examination Committee).
- Symeanthi Katergari (Member of the Examination Committee)
- Athanasios Milousis (Member of the Examination Committee)
- Ioannis Panagiotidis (Member of the Examination Committee)
- Violetta Karahaliou (Member of the Advisory Committee)
- Lazaros Kotanidis (Member of the Advisory Committee).
- Chronis Voultzos (Member of the Advisory Committee).
- Vaia Dalla (Member of the Advisory Committee).
- V. Sofiadou (Member of the Advisory Committee).
- Th. Pasadaki (Member of the Advisory Committee).
- D. Kafetzis (Member of the Advisory Committee).
- Ch. Mavromatis (Member of the Advisory Committee).
- E. Hatzopoulos (Member of the Advisory Committee).
- E. Kasapi (Member of the Advisory Committee).
- S. Karydis (Member of the Examination Committee).

SUPERVISION OF DISSERTATIONS

- Ioanna Diagoupi, Faculty of Molecular Biology & Genetics, D.U.TH., 2004 (Supervisor).
- Konstantina Kazakou, Faculty of Molecular Biology & Genetics, D.U.TH., 2004 (Supervisor).
- Alexandra Kotanidou, Faculty of Molecular Biology & Genetics, D.U.TH., 2009 (Supervisor).
- Stavros Zappas, MD Program “Molecular and Applied Physiology”, Medical School, Athens, 2010 (Supervisor).

- Kalliopi Bounti, Faculty of Molecular Biology & Genetics, D.U.TH., 2011 (Supervisor).
- Genovefa Bouraki, Faculty of Molecular Biology & Genetics, D.U.TH., 2011 (Supervisor).
- Ouranio Anastasiou, Faculty of Molecular Biology & Genetics, D.U.TH., 2011 (Supervisor).
- Maria Panagopoulou – Pantazi, Department of Biological Applications & Technology, University of Ioannina, 2011 (Supervisor)
- Aggelos Spyrou, MD Program “Molecular and Applied Physiology”, Medical School, Athens, 2011 (Supervisor).
- Anna Kollarou, MD Program “Molecular and Applied Physiology”, Medical School, Athens, 2011 (Supervisor).
- Styliani Dalakoura, MD Program “Molecular and Applied Physiology”, Medical School, Athens, 2012 (Supervisor).
- Th. Margari, MD Program “Molecular and Applied Physiology”, Medical School, Athens, 2012 (Supervisor).
- Thomai Garavela, MD Program “Molecular and Applied Physiology”, Medical School, Athens, 2012 (Supervisor).
- Genovefa Bouraki, MD Program “Translational Research in Molecular Biology & Genetics”, Faculty of Molecular Biology & Genetics, D.U.TH., 2015 (Member of the Advisory Committee).
- Maria Dimitriou, MD Program “Human Reproduction”, 2015 (member of the Advisory Committee).
- Konstantinos Valsamidis, MD Program “Human Reproduction”, 2015 (member of the Advisory Committee).
- Maria Siskou, MD Program “Human Reproduction”, 2015 (member of the Advisory Committee).
- Triada Harmanidou, MD Program “Human Reproduction”, 2015 (member of the Advisory Committee).

EVALUATION OF RESEARCH PROPOSALS

- 2017 ESPA, Partnership Agreement 2014-2020
- 2016 Harokopio University
- 2011 “Enhancement of Research Activities”, Aristoteleian University of Thessaloniki.

ADMINISTRATIVE POSITIONS

- Director of the Laboratory of Physiology, Faculty of Medicine, Democritus University of Thrace (2018 – to day)
- Director of the Laboratory of Reproductive Physiology-IVF, Faculty of Medicine, Democritus University of Thrace (2018- to day)

- Deputy Director of the Master Degree Program “Human Reproduction” (2018 – June 2019)
- Member of the Steering Committee of the MD Program “Human Reproduction”, Faculty of Medicine, Democritus University of Thrace (2014-2018).
- Member of the General Assembly of the Faculty of Medicine, Democritus University of Thrace (2011).
- Director of the Laboratory of Neurophysiology (2016- today)
- Several times, in the Faculty of Medicine, Democritus University of Thrace, I was member of Committees for receipt of materials, Electoral Committees, Student Selection Committees etc.

MEMBER OF SCIENTIFIC SOCIETIES

- ❖ Hellenic Society of Physiology (Member of the Steering Committee)
- ❖ Deutsche Physiologische Gesellschaft
- ❖ European Society of Human Reproduction & Embryology
- ❖ Panhellenic Union of Biologists
- ❖ Hellenic Society of Biological Sciences
- ❖ Panhellenic Union of Clinical Embryologists
